Restlust, aka. Tianna Nicole (they/them) is a genderqueer being descended from many peoples. They are a sound explorer, transdisciplinary artist, multi-instrumentalist, composer, producer, and DJ, based in Los Angeles / Tongva Land. Their focus is on creating sonic healing experiences, often as a collaborator. Tianna has played drums and produced songs for LA-based artist San Cha, and they are also the drummer for seminal LA-based radical punk band, Fuck U Pay Us.
